

Dear Visitor,

On behalf of our Club Officers, Manager, staff and members we welcome you to the Marathon Yacht Club. We are eager to see that your stay is a pleasant one so please let any of us know how we might help you.

Water is precious here because it is piped in from the mainland. Use what you need but please try to conservative-especially when washing your boat.

If you decide to depart on a different date than originally planned, please notify the office as soon as possible. Check-in and check-out time is 12:00 noon.

You will find a bulletin board on the patio at the rear of the building with a calendar of Club Activities in which you are welcome to participate. Our chef and his staff are noted for excellent food, so please join us for lunch or dinner and drinks at the bar. To ensure you have a table, please make reservations in the office. Local information is available in the Boater's Information Manual located on the telephone stand on the boater's patio.

The office is open Monday-Saturday from 9am to 5pm. Our dining room is open Tuesday-Friday for lunch 11:30am-1:30pm and Tuesday-Saturday for dinner 6:00pm-8:30pm (Friday night cookout 6:30-8:00pm-bring your own entrée to barbecue). The bar opens at 4:00pm on Saturday and Sunday. On Sunday only, enjoy ½ price drinks from 4:00-7:00pm with free hotdogs!

Enjoy your stay with us and if you need any further assistance, please contact one of the signed below or stop in our office.

Sincerely,

Anne O'Bannon
Commodore

Sincerely,

Andy Misovec
